CUSTOMER TESTIMONIALS

AC SKYWAYS

Your LOCAL, trusted internet provider.

NO PRICING GIMMICKS

NO CONTRACT

NO DATA CAP

LOCAL TECHNICIANS

“It’s a night and day difference from what I had before.

“It has been fabulous for streaming on both my TV and my iPad. I’m so glad we finally have it because, while I’m pokey myself, I don’t want my streaming to be. It’s just been a major increase in quickness.

**ALLAMAKEE
■ CLAYTON**
ELECTRIC COOPERATIVE

LOCAL | TRUSTED | RELIABLE

To avoid a disruption of internet and voice service during a power outage and to maintain the ability to connect to 911 emergency services, AC Skyways offers the option of purchasing a backup battery for your home. You also have the option to purchase a backup battery from other sources or not use a backup battery. Contact AC Skyways with any questions.
